

# WHY ADVERTISE WITH iScreen

iCharge charging stations are placed in strategic locations where people spend time using their mobile devices. This creates repeated exposure and stronger brand recall.

- ✓ Continuous brand visibility
- ✓ Repeated advertisement exposure
- ✓ Affordable monthly advertising
- ✓ Digital display technology
- ✓ Ideal for both local and national brands

## DIGITAL DISPLAY — ADVERTISEMENT —

### Smart Advertising At Charging Stations

Power up your brand visibility by displaying ads on high-visibility digital screens at iCharge charging stations. Reach customers while they charge their devices and interact with your brand.

## PACKAGE SOLUTION

In addition to the iScreen Media Network, we offer a comprehensive advertising package that combines multiple digital platforms to maximize brand reach and visibility

### iScreen Charging Station Network

- Digital LED screens in iCharge smart charging stations in busy commercial locations.

### Patient-Centered Approach

- 1,000 screens installed in elevators of high-end residential, office, and commercial buildings, delivering repeated exposure to captive audiences.

### Multidisciplinary Collaboration

- 300 outdoor billboards strategically placed in high foot-traffic outdoor locations for strong public visibility.

### Total Network Coverage

- 1,300+ Indoor Screens | 300 Outdoor Billboard across premium and high-traffic locations.
